

Listing of Educational Programs in Occupational Therapy

NOVEMBER 1985

The Council on Postsecondary Accreditation and the US Department of Education require that the list of accredited educational programs for the occupational therapist be published annually. In addition, the American Occupational Therapy Association publishes the list of approved educational programs for the occupational therapy assistant. These lists follow.

Professional Programs 1985–1986

The following entry-level programs are accredited by the Committee on Allied Health Education and Accreditation of the American Medical Association in collaboration with the American Occupational Therapy Association. On-site evaluations for program accreditation are conducted at five-year intervals. The dates on this list indicate the academic year when the next evaluation is anticipated. For specific information, contact the program directly.
