
The American Occupational Therapy Association, Inc.

Listing of Educational Programs in Occupational Therapy

November 1987

The American Occupational Therapy Association in collaboration with the Committee on Allied Health Education and Accreditation of the American Medical Association is officially recognized as the accrediting agency for *entry level* educational programs for the occupational therapist. The Council on Postsecondary Accreditation and the U.S. Department of Education require that the list of accredited educational programs for the occupational therapist be published annually.

In addition, the American Occupational Therapy Association publishes the list of approved educational programs for the occupational therapy assistant. These lists follow.

Professional Programs 1987–1988

The following *entry level* programs are accredited by the Committee on Allied Health Education and Accreditation of the American Medical Association in collaboration with the American Occupational Therapy Association. On-site evaluations for program accreditation are conducted at 5-year intervals for initial accreditation and 7-year intervals for continuing accreditation. The dates on this list indicate the academic year the next evaluation is anticipated. For specific information, contact the program directly.
