

ADDITIONAL REPORTS

IV. E. 4. PROGRAM DIRECTOR CHANGES

NOTIFICATION OF PROGRAM DIRECTOR CHANGE

A requirement for maintaining accreditation is that prompt notification be sent to the AOTA Accreditation Department if the program director of an accredited occupational therapy or occupational therapy assistant program changes. (Programs must inform ACOTE within 30 days of the resignation of the program director or appointment of a new or interim program director.) If the position is vacant, written notification should include the plan for filling the position and the name, credentials, and contact information of the individual who will serve as the primary point of contact for the program.

Upon the appointment of an acting or permanent program director or individual who is primarily responsible for handling the duties of the program director, the following documentation must be submitted to ACOTE through ACOTE Online (<https://acote.aota.org>) using the Substantive Change (SUBS. CHANGE) tab.

1. A letter of appointment, including the effective date of appointment of the new program director or the individual who is primarily responsible for handling the duties of the program director.
2. A completed Program Director Data Form available in the “Forms” section of the ACOTE website (www.acoteonline.org).
3. Documentation that the program director is assigned as a full-time core faculty member to the occupational therapy educational program and evidence of release time provided for that position. Release time documentation must be from the institution (e.g., signed letter from administration, employment/annual contract, job description). **The document must specify the numerical release time provided** (e.g., percentage, credit hours compared to regular faculty hours) and **how that release time is sufficient to ensure the needs of the program are being met.**
4. Documentation of initial or current certification; copy of current occupational therapy license for the state(s) in which the program is located; and copy of diploma or transcript indicating the highest degree level obtained from an accredited institution.
5. The curriculum vitae of the new program director or the individual who is primarily responsible for covering the duties of the program director. The curriculum vitae should detail occupational therapy experience, and should give particular attention to experience and qualifications in clinical practice, administration, and teaching.
6. A summary of experience and qualifications that is pertinent to the [ACOTE Accreditation Standards](#). See the “Summary of Program Director Credentials” form in the “Forms” section of the ACOTE website (www.acoteonline.org).
7. A complete position description for the program director that clearly indicates responsibility for all aspects of management and administration of the program, including planning, evaluation, budgeting, selection of faculty and staff, maintenance of accreditation, and commitment to strategies for professional development.

ACOTE ACTION ON PROGRAM DIRECTOR CREDENTIALS

If review of credentials for a director of an established occupational therapy educational program reveals compliance with the Standards, no further action is taken. If the credentials indicate noncompliance and ACOTE agrees, an area of noncompliance will be cited and the program will be required to submit a Plan of Correction to ACOTE. Notification of ACOTE's decision is sent electronically to the chief executive officer, dean, and program director within 4-5 weeks of ACOTE's meeting.
