V. A. FEES

ACCREDITATION FEES

The Accreditation Council for Occupational Therapy Education (ACOTE®) is committed to administering a quality accreditation program in a cost-effective and efficient manner. Accreditation fees paid by the educational programs help to support costs attributed to the entire accreditation process. ACOTE uses a fixed fee formula that includes the cost of the on-site visit in the annual fee; therefore, educational programs are **not** charged a fee for reaccreditation on-site evaluations.

FEE INFORMATION

Annual Accreditation Fees are invoiced in advance of the coming academic year. Invoices are mailed in July and payment is due no later than October 15th. Annual fees are due each year, from **all** accredited programs, including the year in which an on-site evaluation is scheduled. For new programs, the annual fee becomes effective with the first full academic year for which the program has accreditation status. Notify the Accreditation department (accred@aota.org) if early invoicing is required.

Candidacy Application Fees will be invoiced and must be paid on or before the due date of the Candidacy Application.

Fact-Finding Fees will be invoiced for one-half of the total cost of the fact-finding team's travel, per diem and any other related expenses.

Failure to Notify Fees may be charged if cited for noncompliance with Standard A.1.5. Notification Requirements.

Inactive Fees must be paid for all inactive programs until a program applies for and receives voluntary withdrawal of accreditation.

Initial On-Site Fees will be invoiced after the on-site evaluation is completed.

Late or Missing Report / Late Payment Fees may be charged if programs have not submitted a required or complete report or have not submitted required payment to the Accreditation department after the 7-day grace period.

Letter of Intent Deposit Fee is a nonrefundable deposit that must be received by the Accreditation department before an initial timeline is established.

Preaccreditation Review Fees will be invoiced and must be paid by the due date of the initial Report of Self-Study.

Timeline Change Fee: may be charged if developing programs change the agreed upon initial timeline.

FEE PAYMENTS

Programs will be sent an invoice that will include the due date and instructions for payment.

AOTA/ACOTE is unable to accept credit card payments by fax or email. All payments, if possible, should be made online using AOTA's secure credit card payment portal.
