

ACOTE's Disclosure Statement regarding Probationary Accreditation Action:

The occupational therapy assistant program at **Keiser University-Orlando**, Orlando, Florida, was placed on Probationary Accreditation effective **April 22, 2023**, because the area of noncompliance related to 2018 Standard A.6.4 (certification exam pass rate) was so serious that the capability of the program to provide acceptable educational experiences for the students is threatened. In addition, based on review of the 2023 Annual Report, ACOTE determined that the program was in noncompliance with 2018 Standard A.4.4 (published policies). ACOTE voted to grant the program's request to extend the time frame for compliance with 2018 Standard A.6.4 until August 2024.

At its **August 2023** meeting, ACOTE reviewed the Plan of Correction and Progress Report submitted by the occupational therapy assistant program and determined that the program returned to compliance with 2018 OTA Standard A.4.4 (published policies). However, the program remains in noncompliance with 2018 Standard A.6.4 (certification exam pass rate). The program's status remains Probationary Accreditation.

At its **December 2023** meeting, ACOTE reviewed the Progress Report submitted by the occupational therapy assistant program and determined that the program remains in noncompliance with 2018 Standard A.6.4 (certification exam pass rate). The program's status remains Probationary Accreditation.

At its **March 2024** meeting, ACOTE reviewed the Progress Report submitted by the occupational therapy assistant program and determined that the program remains in noncompliance with 2018 Standard A.6.4 (certification exam pass rate). In addition, based on review of program director credentials, ACOTE determined that the program is in noncompliance with 2018 Standard A.2.1 (program director). The program's status remains Probationary Accreditation.

At its **August 2024** meeting, ACOTE reviewed the Progress Report submitted by the occupational therapy assistant program and determined that the program returned to compliance with 2018 Standard A.2.1 (program director). However, the program remains in noncompliance with 2018 Standard A.6.4 (certification exam pass rate). The program also submitted a request for Inactive Status. The program's status was changed to Probationary Accreditation-Inactive.

The program has been requested to submit a Progress Report to return the program to full compliance with the Standards within the mandated time period for correction.
