ACOTE's Disclosure Statement regarding *Probationary Accreditation Action*:

The occupational therapy assistant program at **Ross College** in Hopkinsville, Hopkinsville, Kentucky, was placed on Probationary Accreditation effective March 23, 2024, because the area of noncompliance related to 2018 Standard A.6.4 (certification exam pass rate) is so serious that the capability of the program to provide acceptable educational experiences for the students is threatened.

On **November 6-7, 2024**, ACOTE conducted a fact-finding visit to the program to further assess compliance with the Standards.

At its **December 2024** meeting, ACOTE reviewed the Fact-Finding Report submitted by the occupational therapy assistant program and determined that it remains in noncompliance with 2018 Standard A.6.1. (Strategic Plan), A.6.3. (Program Evaluation) and A.6.4. (Certification Exam Pass Rate).

The program has been requested to submit a Progress Report to return the program to full compliance with the Standards within the mandated time period for correction.
